Storage Grid Novven 3

Storage Grid – The grid is specially designed to optimize storage in the Novven 3 cabinet. It allows you to easily place your PPE and/or accessories while ensuring optimal air circulation for effective drying, disinfection, deodorization, or decontamination.

PRODUCT PLUSES

- **Secure Design:** Prevents equipment from tipping or sliding during the treatment cycle.
- **Versatile and Robust:** Supports various types of equipment (boots, shoes, gloves, helmets, accessories).
- **Removable:** Facilitates cleaning and adjustment according to the size of the equipment.
- **Space Optimization:** Maximizes the cabinet's capacity while keeping equipment accessible. Up to 6 grids can be installed across the full height of the cabinet.
