Cosmos desktop mirror, brass Chrome

The chromed Cosmos desktop mirror, with a diameter of 200 mm, is made of brass with a chrome finish. It features a stable base and white LED lighting for precision tasks. With 5X magnification and a 3-year autonomy thanks to its integrated lithium battery, it automatically turns off after 3 minutes of inactivity. Its compact dimensions (295 mm height, 150 mm width) make it a practical accessory for hotel rooms. Designed and conceptualized in France, it combines elegance and practicality.
