Tellus Black

Tellus Black Scale – JVD – No batteries, kinetic energy. The Tellus Black scale by JVD operates without batteries using kinetic energy: step on to instantly display weight. Ultra-slim, button-free design, platform in 5 mm tempered anti-slip glass. LCD screen, KG/LB selector, 180 kg capacity. Combines durability, precision, and modern aesthetics for hotels.

PRODUCT PLUSES

- No maintenance hassle – Battery-free system means no replacements for housekeeping to manage
- Built to last – Reinforced 5mm tempered glass withstands daily guest use
- Safe for guests – Anti-slip glass platform minimizes risk of slips in bathrooms or guestrooms
- Guest-friendly display – Clear LCD screen with KG/LB selector accommodates international travelers

ECO-FRIENDLY

- The Tellus scale operates solely on kinetic energy: every use generates the power needed, eliminating battery waste and reducing carbon footprint for a more sustainable hotel.
