## Berengere wood Luggage rack

The Berengere rack is a blend of French know-how. From the use of locally sourced noble materials to the employment of people with disabilities, this rack is a 100% eco-responsible product. Its asymmetrical design avoids any contact with the wall.

### PRODUCT PLUSES

- Structure in beech wood from French forests (Brittany, Normandy, Centre Val de Loire)
- Straps in linen grown and woven in France
- Manufactured in France in ESAT (professional integration of people with disabilities) No contact with the wall

### ECO-FRIENDLY

- Natural wood
- Linen straps woven in France
- Made by people with disabilities to contribute to their vocational training
