

8772130

## Replacement Core – Shield

The Core is the official replacement filter for the Shield air purifier (ref. 8772127), manufactured in France. Incorporating the patented Smart Mineralisation© technology, it allows the device to regenerate and restore optimum performance. Compliant with the NF B44-200 standard, it is recommended to replace it after 3 years of use. Installation is carried out in 6 simple steps, with no technician required.

### PRODUCT PLUSES

- Made in France – Shield and Core of French design and manufacture
- Patented Smart Mineralisation© technology for maximum performance
- Compliant with professional standard NF B44-200
- Restores device performance after 3 years of use

### ECO-FRIENDLY

- JVD is committed to taking back, sorting and reconditioning used Cores to give them a new life, reducing waste and environmental impact.
