Novven 3S Cabinet – LEISURE – Essential Pack

The Novven 3S Essential Pack cabinet has been specially designed to ensure the disinfection, drying, and deodorisation of EMS uniforms. Thanks to its patented Smart Air Care technology, it becomes a true daily ally for optimal maintenance, regardless of the generation of uniforms used.

PRODUCT PLUSES

- Smart Air Care: Patented technology ensuring high levels of performance.
- Traceability: Cycle monitoring to guarantee compliance with maintenance protocols.
- Simplified maintenance: Component tracking for fast and efficient servicing
- Mobility: Casters for easy movement and pads for stability.

ECO-FRIENDLY

- Low power consumption
- Durable, long-lasting materials
- No water or chemicals required
