

8992570

Norma Sorting Bin

Norma selective sorting bin with 2 flows and a total capacity of 13 liters made of steel. With its 2 resistant plastic bins with recycling and non-recycling logos, it is ideal for waste sorting in hotel rooms and offices. Matte black epoxy powder finish.

PRODUCT PLUSES

- Total capacity of 13 liters
- Robust exterior made of galvanized steel
- 2 resistant plastic bins

ECO-FRIENDLY

- Promotes selective sorting and recycling of waste, thus contributing to waste reduction and the preservation of natural resources. The durability of the material guarantees a long service life, reducing the need for frequent replacement.
