## Stainless steel tray waste container 50L

Made from AISI 430 stainless steel with a satin finish, this 50L tray waste container integrates seamlessly into collective catering environments: bars, self-service restaurants, fast-food outlets and canteens. Its tipping flap enables fast and ergonomic tray emptying, its reversible lower door with key lock, and its adjustable feet (+5 cm) ensure optimal integration. A stainless steel tray guide frame (ref. 8992581) is available as an option.

### PRODUCT PLUSES

- AISI 430 stainless steel — durability and hygiene in professional environments
- Tipping flap for fast and ergonomic tray emptying
- Reversible lower door for flexible installation
- Key lock on lower door to restrict access

REPAIRABLE 10 YEARS
