60 L Stainless Steel Sorting Station

Selective sorting station in brushed AISI 430 stainless steel, with a 60-litre capacity. Ideal for offices, public institutions and shared spaces, it features a front-opening lockable door with triangular key for easy waste extraction without moving the unit, along with height-adjustable feet. Made in Italy. To be paired with Sorting Collector 60 L ref. 8991097, Colour Frames ref. 2403841 and Pictograms ref. 2403842.

PRODUCT PLUSES

- Brushed AISI 430 stainless steel — robust, hygienic and aesthetic
- Front opening — easy waste extraction without moving the station
- Lockable door with triangular key — secure and controlled waste access
- Optional colour frames and pictograms — visual identification of waste streams

ECO-FRIENDLY

- Made from highly durable stainless steel, this station reduces frequent replacements and promotes selective sorting in the workplace, directly contributing to waste recovery and CSR objectives.

REPAIRABLE 10 YEARS
