

SCSF20

HYGIdry Ski Boot Dryer (20 pairs)

The HYGIdry is a professional ski boot dryer made in France, designed for quick drying and deep sanitization of up to 20 pairs of boots. Thanks to its powerful ventilation system and heating resistance, it dries boots in less than an hour. The stainless steel manifold and the anti-waste valve ensure optimal efficiency. Additionally, the ozone sanitization system eliminates bacteria responsible for bad odors.

PRODUCT PLUSES

- **Quick Drying:** Dries boots in less than an hour.
- **Sanitization:** Eliminates bacteria with ozone.
- **Mobility:** Equipped with 4 swivel wheels.
- **Durability:** Stainless steel boot supports.

ECO-FRIENDLY

- The ozone sanitization system eliminates bacteria without chemical products, reducing environmental impact while ensuring effective sanitization. The anti-waste valve prevents heat loss, optimizing energy efficiency.

REPAIRABLE 10 YEARS
